To the Class of 2020,

On behalf of the faculty and staff of Pelahatchie High School, we cannot say enough about how unfortunate the effects of COVID-19 have been on the completion of your senior year. We are so proud of your response to these circumstances as well as your resiliency through these tough times. With that being said, we plan to celebrate the accomplishments and contributions you have made to Pelahatchie High School over the years by providing a unique graduation ceremony for you and your immediate family.

On May 19, Pelahatchie High School is excited to announce our plans to have a “Drive-In” graduation. The site and time of this event are to be determined in the upcoming days. Plan for specific information regarding graduation to be communicated by week’s end. As you begin planning for this date, please understand that social distancing expectations will be of the utmost importance. Therefore, please note that specific guidelines regarding all processes of the graduation ceremony will be strictly enforced.

Thank you for your continued patience as we finalize our plans for Pelahatchie High School’s graduation ceremony. We look forward to seeing you all soon!

Go Chiefs!
