

## Suggested Colours Activities

Colours are interesting, they help us use our sense of sight.

This theme offers a such a huge scope of ideas for us to engage our children with.

The beauty of this subject is that colours are all around us so why not start by walking around outside and examine all the colours you see. Then, concentrate on one colour at a time and point out each object you see in that colour. This is an activity one can also do at home.

Here are some fun ideas for colour activities on the following pages.

## Colour Songs

### Rainbow Song

*Tune: Twinkle, Twinkle, Little Star*

Red and orange, green and blue,  
Shiny yellow, purple too.  
All the colors that we know, live up in the rainbow.  
Red and orange, green and blue,  
Shiny yellow, purple too.

### Color of Your Clothes

*Tune: The Farmer in the Dell*

If you are wearing (color name),  
If you are wearing (color name),  
Stand up tall and turn around  
And then sit right back down!
