Payroll deduction is one of the most convenient ways to make a gift to Wingate University. You determine the size of your gift and deductions begin immediately upon your request. Automated deductions will continue until you contact us to express that you no longer wish to give.

Payroll deduction contributions quickly add up to a substantial gift. For example, a gift as small as \$10 per pay period grows to \$120 per year. Imagine the collective difference this could make in the lives of Wingate students if every faculty and staff member participated.
