

EMERGENCY RESPONSE PATHWAY

Courses in the Emergency Response Pathway

- Medical Core (UC-G)
- Emergency Medical Technician
- Fire Science
- Fire Technology
- Professional Internship

Emergency Medical Technician class offers an EMT certificate upon successful completion. Fire Technology classes are articulated. This means students earn college credit while in high school.

Employment Projections in California

Career	Average Salary	Job Growth
EMT	\$36,000	21% through 2026
Fire Fighter	\$49,620	5% through 2026

Public safety is a vital part of today’s world. Whether we like it or not, things happen, and the brave people who come to our aid need to be alert, well trained, and responsible. Benefits include job and scenery change from day to day and feeling pride and satisfaction of helping others.

Orange Unified School District is committed to providing equal opportunities for all students in all academic programs and school activities. We do not discriminate on the basis of race, color, national origin, sex, religion or disability.
