New Format after Spring Break

I hope everyone enjoys this next week to relax, have “safer-at-home” fun and gear up for the weeks ahead. I want to commend all of our students and their families for their willingness to try a new way of learning. In order to better support our students, when we get back from Spring Break, our middle and high school distance learning schedules will slightly change in order to maximize teaching and learning for everyone. Attached you will find the Secondary Block Schedule for Distance Learning. This new schedule applies only to our students in grades 7 through 12; however, please note that all TCUSD teachers, both elementary and secondary, will now hold office hours on Fridays. Teachers will communicate to you the three hours they are available to offer extra help for students or respond to parent emails. Please keep in mind, this day will be reserved for extra support for students who need help with the past week’s work and for teachers to offer feedback on assignments. All teachers will continue to work with students to provide new and direct instruction during the week. Additionally, teachers of students in grades 4 and above, may begin to offer grade marks on assignments. Students will have time to make up any past due assignments and teachers will work with all students in order to provide access and accommodate challenging circumstances surrounding the COVID-19 pandemic crisis.

I know many of our 6th, 8th and 12th grade students and parents have concerns about upcoming promotions and graduation. I share your same concerns. Our teams continue to work with State and local officials to make the best decisions for our TCUSD Family. We will continue to update you as information becomes available. For now, please enjoy this Spring Break and stay safe and healthy.

Sincerely,

Kimberly Fricker
