Grab-N-Go Lunches Resume April 6, 2020

Thank you for your cooperation with our Grab-N-Go service. We completed our service yesterday for the rest of this week as we passed out lunches for Wednesday, Thursday and Friday. We will resume lunch service on Monday, April 6th. Please remember next week March 30th through April 3rd is our already scheduled Spring Break and no Grab-N-Go meals will be served at TCHS during this week.

Local Control Accountability Plan (LCAP)

Although many State and County requirements have been waived or postponed, the requirement for building the TCUSD LCAP remains in place and we need your help. Please take the very brief and anonymous survey listed below. We also encourage all students in grades 3-12 to complete the survey as well. TCUSD greatly values your input and feedback and we rely on this data for our growth and reflection.

Moving Forward

We know many questions exist in the minds of our parents, students and even staff. As the public health crisis surrounding COVID-19 continues, we must consider many possibilities. Our dedicated teams of administrators, teachers, counselors, service providers, and support staff have been regularly collaborating in order to strengthen our distance learning options and to connect with all of our students. We know the future is uncertain, but we also know the TCUSD team will not let our students and families down. In the coming days before and after Spring Break, we will begin to unfold our plans for moving forward and ensuring the academic success and social emotional wellness of ALL of our students. Be well and safe, TCUSD.

Sincerely,

Kimberly Fricker
