Grab-N-Go Lunches Resume April 6, 2020

Thank you for your cooperation with our Grab-N-Go service. We completed our service today for the rest of this week as we passed out lunches for Wednesday, Thursday and Friday. We will resume lunch service on Monday, April 6th as next week March 30th through April 3rd is our already scheduled Spring Break and no Grab-N-Go meals will be served during this week.

Network is Now Working

We apologize for any and all inconvenience you experienced with our network issue yesterday. The service provider of the larger network that controls our TCUSD network had to replace fiber cables in order for the connection to work. When the network goes down, access to Aeries and Class Link will be unavailable. The network is currently working and all access has been restored.

WiFi Connection for Your TCUSD Device

If you have trouble with a WiFi connection and need access, you may access our WiFi in the TCUSD parking lot at 9700 Las Tunas Dr. The network connection will become available on your TCUSD device when you enter the parking lot.

Please continue to send all questions and concerns through the TCUSDhelpdesk@tcusd.net. We hope that all of our TCUSD Family stays healthy and well.

Sincerely,

Kimberly Fricker
