### **425 STAFF DEVELOPMENT**

#### **I. PURPOSE**

The purpose of this policy is to establish a staff development program and structure to carry out planning and reporting on staff development that supports improved student learning and the district's commitment to equity.

#### **II. DISTRICT STAFF DEVELOPMENT ADVISORY COMMITTEE AND SITE STAFF DEVELOPMENT TEAMS**

A. The School Board will establish a District Staff Development Advisory Committee to develop a Staff Development Plan, assist Site Staff Development Teams in developing a site plan consistent with the goals of the Staff Development Plan and aligned to site Continuous Improvement Plan goals, and evaluate staff development efforts at the site level.

1. The majority of the membership of the District Staff Development Advisory Committee shall consist of teachers representing various grade levels, subject areas, and special education. The Committee also will include nonteaching staff, parents, and administrators.
2. Members of the District Staff Development Advisory Committee shall be determined by sites and in collaboration with the Curriculum department.

B. The School Board directs the Superintendent to ensure sites establish Site Staff Development Teams.

1. The Site Staff Development Team will include at least 5 members. The Site Staff Development Team may be the same as the Building Leadership Team, at the discretion of the building principal.
2. The majority of the Site Staff Development Teams shall be teachers representing various grade levels, subject areas, and special education.

### **III. DUTIES OF THE DISTRICT STAFF DEVELOPMENT ADVISORY COMMITTEE**

- A. The District Staff Development Advisory Committee will develop a District Staff Development Plan that is aligned to the District Strategic Implementation Plan: World's Best Workforce Plan.
- B. The District Staff Development Plan must contain the following elements:
  - 1. Staff development outcomes which are consistent with the education outcomes as may be determined periodically by the School Board;
  - 2. The means to achieve the Staff Development outcomes;
  - 3. The procedures for evaluating progress at each school site toward meeting educational outcomes;
  - 4. Ongoing staff development activities that contribute toward continuous improvement in achievement of the following goals:
    - a. Improve student achievement of state and local education standards in all areas of the curriculum including areas of regular academic and applied and experiential learning, by using research-based best practices methods;
    - b. Effectively meet the needs of a diverse student population, including at-risk children, children with disabilities, English learners, and gifted children, within the regular classroom, applied and experiential learning settings, and other settings;
    - c. Provide an inclusive curriculum for a racially, ethnically, linguistically, and culturally diverse student population that is consistent with state education diversity rules and the district's education diversity plan;
    - d. Improve staff collaboration and develop mentoring and peer coaching programs for teachers new to the school or district;
    - e. Effectively teach and model violence prevention policy and curriculum that address early intervention alternatives, issues of harassment, and teach nonviolent alternatives for conflict resolution;
    - f. Effectively deliver digital and blended learning and curriculum and engage students with technology; and

- g. Provide teachers and other members of site-based management teams with appropriate management and financial management skills.

5. The District Staff Development Plan also must:

- a. Support stable and productive professional communities achieved through ongoing and school-wide progress and growth in teaching practice;
- b. Emphasize coaching, professional learning communities, classroom action research, and other job-embedded models;
- c. Maintain a strong subject matter focus premised on students' learning goals consistent with Minn. Stat. § 120B.125;
- d. Ensure specialized preparation and learning about issues related to teaching English learners and students with special needs by focusing on long-term systemic efforts to improve educational services and opportunities and raise student achievement; and
- e. Reinforce national and state standards of effective teaching practice.

6. Staff development activities must:

- a. Focus on the school classroom and research-based strategies that improve student learning;
- b. Provide opportunities for teachers to practice and improve their instructional skills over time;
- c. Provide opportunities for teachers to use student data as part of their daily work to increase student achievement;
- d. Enhance teacher content knowledge and instructional skills, including to accommodate the delivery of digital and blended learning and curriculum and engage students with technology;
- e. Align with state and local academic standards;
- f. Provide opportunities to build professional relationships, foster collaboration among principals and staff who provide instruction, and provide opportunities for teacher-to-teacher mentoring;
- g. Align with the plan, if any, of the district or site for an alternative teacher professional pay system;

- h. Provide teachers of English learners, including English as a second language, and content teachers with differentiated instructional strategies critical for ensuring students long-term academic success, the means to effectively use assessment data on the academic literacy, oral academic language, and English language development of English learners, and skills to support native and English language development across the curriculum; and
    - i. Provide opportunities for staff to learn about current workforce trends, the connections between workforce trends and postsecondary education, and training options, including career and technical education options.
- 7. Staff development activities may include curriculum development and curriculum training programs and activities that provide teachers and other members of site-based teams training to enhance team performance.
- 8. The school district may implement other staff development activities required by law and activities associated with professional teacher compensation models.
- C. The District Staff Development Advisory Committee will assist Site Staff Development Teams in developing a site plan consistent with the goals and outcomes of the District Staff Development Plan.
- D. The District Staff Development Advisory Committee will evaluate staff development efforts at the site level.
- E. The District Staff Development Advisory Committee shall assist the School District in preparing any reports required by the Department of Education relating to staff development including, but not limited to, the reports referenced in Section VII. below.

#### **IV. DUTIES OF THE SITE STAFF DEVELOPMENT TEAM**

- A. Each Site Staff Development Team shall develop a site plan, consistent with the goals of the District Staff Development Plan and include it in their Continuous Improvement Plan.
- B. The Site Staff Development Team will report its progress through the annual staff development report due to the Minnesota Department of Education.

#### **V. STAFF DEVELOPMENT FUNDING**

- A. Unless the School District is in statutory operating debt or a majority of the

School District Board and a majority of its licensed teachers vote to waive the requirement to reserve basic revenue for staff development, the School District will reserve an amount equal to at least two percent of its basic revenue for: in-service education for violence prevention programs to help students learn how to resolve conflicts within their families and communities in non-violent, effective ways; staff development plans; curriculum development and programs; other in-service education; teachers' workshops; teacher conferences; the cost of substitute teachers for staff development purposes; pre-service and in-service education for special education professionals and paraprofessionals; and other related costs for staff development efforts.

- B. Release time provided for teachers to supervise students on field trips and school activities, or independent tasks not associated with enhancing the teacher's knowledge and instructional skills, such as preparing report cards, calculating grades, or organizing classroom materials, may not be counted as staff development time that is financed with staff development reserved revenue under Minn. Stat. § 122A.61.

## **VI. PROCEDURE FOR USE OF STAFF DEVELOPMENT FUNDS**

- A. On a yearly basis, the District Staff Development Advisory Committee, with the assistance of the Site Staff Development Teams, shall prepare a projected budget setting forth proposals for allocating staff development funds reserved for each school site. Such budgets shall include, but not be limited to, projections as to the cost of building site training programs, costs of individual staff seminars, and cost of substitutes.
- B. The District Staff Development Advisory Committee shall be responsible for monitoring the use of such funds in accordance with the District Staff Development Plan and budget.  
The requested use of staff development funds must meet or make progress toward the goals and objectives of the District Staff Development Plan.
- C. Individual requests from staff for leave to attend staff development activities shall be submitted and reviewed according to school district policy, staff procedures, contractual agreement, and the effect on school district operations. Failure to timely submit such requests may be cause for denial of the request.

## **VII. REPORTING**

- A. The School District and District Staff Development Advisory Committee shall prepare a report of the previous fiscal year's staff development activities and expenditures as part of the school district's world's best workforce report.
  - 1. The report must include assessment and evaluation data indicating

progress toward district and site staff development goals based on teaching and learning outcomes, including the percentage of teachers and other staff involved in instruction who participate in effective staff development activities.

2. The report will provide a breakdown of expenditures for:
  - a. Curriculum development and curriculum training programs;
  - b. Staff development training models, workshops, and conferences; and
  - c. The cost of releasing teachers or providing substitute teachers for staff development purposes.

The report also must indicate whether the expenditures were incurred at the district level or the school site level and whether the school site expenditures were made possible by the grants to school sites that demonstrate exemplary use of allocated staff development revenue. These expenditures must be reported using the uniform financial and accounting and reporting standards (UFARS).

- B. The report will be signed by the Superintendent and Director of Curriculum, Instruction and Assessment.
