

HANFORD ELEMENTARY SCHOOL DISTRICT
LVN or BILINGUAL LVN
SUPPLEMENTAL APPLICATION QUESTIONS

INSTRUCTIONS: As part of the selection procedure, the following questions measure necessary employment standards for the position and must be completed in order to be considered for the position. Please respond on a new sheet of paper.

NOTE: An application will be considered incomplete without the responses to these questions.

1. Please describe your experience working as an LVN and/or working with students with special medical needs.
2. Please list basic medical equipment you have experience with and your level of competence with each item.
3. Describe your knowledge of office procedures, office equipment, and software programs including the types of software programs you have worked on and your level of expertise.
4. What specific events, work experiences do you have that you believe qualify you for this position.
5. Please describe how the lifestyle of the migrant family can affect their child's education.
6. What are important considerations when making home visits?
7. What steps would you take if a child was having an asthma attack? Describe your response sequence.

FOR BILINGUAL APPLICANTS ONLY:

8. Have you successfully completed the Spanish/English test at Hanford Elementary School District?
9. Please describe your level of competency in speaking to people about their health concerns in Spanish and in using medical terminology in Spanish. Please provide examples of your duties.

Please attach copies of the following certificates/cards:

****Please note this position requires a current CA L.V.N. License.***

- **Medical training certification and/or licenses**
