Register through the online registration system [here](#). For returning users from IMUN 2022, credentials have not changed. For new users please select “First Login” to receive your login details. Once registered, schools need to complete a [FORM 1](#) which is due April 1. The Form 1 requires an estimated number of delegates (max 20 per school) and one of the four options below to be selected:

**Option 1: Regular delegation.** In this case, the delegations will be in the GA, Env and HRC only.

**Option 2: SC and HSC Delegation.** In this case, the school is requesting a delegate on both the Security Council and on the Historical Security Council. The remaining delegates will be in the other three forums.

**Option 3: SC delegation.** This is for schools who would like a delegate on the Security Council. The remaining delegates will be in the other three forums.

**Option 4: HSC delegation.** This is for schools who would like a delegate on the Historical Security Council. The remaining delegates will be in the other three forums.

In SC and HSC, each of the 15 positions will be represented by **one** delegate. MUN Directors may only request these slots for those students who are strong, responsible, experienced debaters. Please note that all delegates in the SC and HSC must be present for the entirety of the conference without exception.

Officers – MUN Directors may only put forth chair candidates those students who are strong, responsible, experienced debaters interested in chairing in the GA or Special Conference. Chairs must attend a workshop Thursday morning and undergo evaluation to be considered for a chairing slot. Chairs also represent a delegation. Chairing candidate names are due on FORM II by October 1. FORM II will be supplied once FORM I is submitted along with registration fee.

Press – Press applicants must be indicated on FORM II (see note above), due October 1, and follow the instructions found [on the home page](#) under Press on “Student Officer and Press Positions”.
