

Are you attending Homestead High School in the Fall?
Are you interested in trying out for the
Equestriettes Dance Team?

See below for important details!

When will tryouts be held?

- Due to COVID-19, we cannot host in person auditions for the time being. To ensure everyone can put their best foot forward, we are holding off on auditions for now.
- To help you prepare for auditions, join our BAND!!! (keep reading for details)
- The BAND training program will be a great way to stay prepared for when an audition date is announced.
- The BAND app will be the quickest and easiest way to have access to new information including dates and details for auditions.

What is it?

- In lieu of a pre-audition clinic, Equestriettes Dance Team is hosting an online virtual training program beginning April 20th.
- This platform will provide those interested in auditioning (when school resumes) for the Equestriettes with videos of technical skills expected of dance team members. Each week, a specific technical skill will be focused on through explanation, demonstration, and exercise videos to assist candidates as they practice at home.
- In addition to technique, choreography videos will be posted to acclimate candidates with styles of dance performed by the Equestriettes.
- This is also a great way to interact with current members and coaches as well as potential teammates!
- It is not an official tryout or audition. It's is just to keep you active, dancing, and get you exposed to the Equestreittes' style.

Who can access it and how?

- Returning members, current HHS students, and incoming HHS freshman interested in auditioning for the Equestriettes Dance Team are encouraged and can join the training program.
- The training program is available on the app "BAND" and is free.
- Download the app and click the URL below to take you directly to the group.
