Study Island has some good, short lessons – a parent must sign student up – if you go on parent link, you can get a year free membership.

At the end of the week, students should send me their favorite journal entry typed and your comparison writing rough draft

I will be checking accelerated reader so try to take one test a week unless you are reading a long book.

Vooks.com is free reading site

If you can learn how, submit work on teams

Teams is the district platform and kids will use it while at TUSD.
