Thanks for your purchase! Just print a set of trees, cards, and an answer key for each student pair.

Students draw a card and identify the tense of the verb. If correct, the student can color in an ornament with that tense on the tree. If the student doesn't have a spot with that tense open, his/her turn is over.

The first player to color all of his/her ornaments is the winner and can color the present under the tree! Easily use at a center for students to do independently. Students can check their own answers and color the tree!

Legal Biz

I made this. Please do not post or share <u>anywhere</u> online.

OR...

Print the trees in color. Laminate or place in a sheet protector. Students can use a dry erase marker to color in ornaments and then wipe off when done!

Don't want to have students color in the ornaments? Use chips to cover the ornaments instead.

Made with love by: Christina @ Bunting, Books, and Bright Ideas

You can use page 12 to have students record answers as they play the game. Students can write the word and card numbers in the columns to show what they know about verb tenses!
