To Novi Community School District Parents and Community Members:

We continue to carry on!

Yesterday the Governor seemed to hint that her stay-at-home order may continue past May 1, especially for vulnerable populations.

My sense is that there will be some relief, but not a total relaxation of the current social distancing protocols. There is certainly not a sense that schools will reopen before the end of this school year.

We continue to move forward with our Continuity of Learning Plan (CLP). Our plan is to implement our CLP for two weeks, constantly gathering feedback from our students, families, and teachers. During these first two weeks, we are evaluating and re-evaluating. If significant changes are to occur, they would occur after two weeks.

We believe that we have a good plan. But if there are changes - significant changes - that need to be made, they will come after two weeks.

If you have questions or suggestions you can funnel those through your teachers or your principal. Or you can send your ideas directly to me and I will pass them along.

We are in this together.

Every night at 8:20 PM, we turn on our stadium lights for 20 minutes to honor our graduating seniors. It is a small way to remind the seniors that we want them to know that we celebrate their achievement.

### **FOOD SERVICE DISTRIBUTION**

Our Food Service Department received an *important update today from the State of Michigan*. Please read the following information carefully and see the attached flyer from the State.

We are aware that many families may be experiencing a reduction or loss of income at this time due to the pandemic crisis. Please know that Novi Community School District continues to accept applications for Free/Reduced Price Meals until June 12.

If you are facing a financial change or hardship we encourage you to complete an online application at <https://mistar.oakland.k12.mi.us/novi/FSONline/Main/Login>

While school buildings may be closed there are benefits available to you by applying:

- Free and Reduced Price Meal benefits carry over for the first 30 school days of the next year. So any approvals right now will continue for the first 30 days of the 2020-21 school year.
- At this time, the State of Michigan is providing extra benefits to students who qualify for Free or Reduced Price Meals in the form of Pandemic EBT. (See attached flyer.) If you submit an application by ***Friday, May 8*** and are approved for free or reduced meal benefits you will be automatically qualified for P-EBT benefits. The benefit is \$5.70 per child per day for each family member 18 years or younger or 26 or younger if enrolled in a special education program.

Due to these added benefits we strongly encourage you to apply if you feel you may now qualify. If you currently receive benefits there is no reason to apply again. Your information has already been added to the Michigan database.

As a final note, please remember that our department is distributing seven days of breakfast and lunch on Tuesdays at Novi High School from 9:00 am until 1:00 pm. Meals are also available at Novi Ridge and Pavilion Court apartment club houses via school bus from 10:00 am until 11:00 am on Tuesdays.

If you have any questions or are in need of a paper application please contact our Food & Nutrition Director, Evol Gazzarato, at [evol.gazzarato@novik12.org](mailto:evol.gazzarato@novik12.org) or 248-449-1225.

Gratefully and Appreciatively,

# Pandemic EBT Program

*Families with children who received free or reduced-cost lunches at school qualify for new program*

The Pandemic Electronic Benefit Transfer Program (P-EBT) provides temporary funding to address emergency food needs for families affected by the pandemic.

P-EBT food assistance benefits will go to Michigan families with students ages 5-18 that are eligible for free or reduced-price school meals. This includes families currently receiving Food Assistance Program benefits, as well as those not currently enrolled in the program. No application is necessary for eligible families to receive P-EBT benefits.

**Families currently receiving Food Assistance Program (FAP) benefits will receive additional benefits on their Bridge Card:**

Eligible families currently receiving food assistance benefits will be issued additional benefits directly on their Bridge Card. These additional food assistance benefits can be used the same way as families would typically use their Bridge Card to purchase food items. P-EBT benefits can also be used to participate in the Double Up Food Bucks program.

- **March and April combined benefits: \$193.80 per eligible student** will be loaded on the family's Bridge Card by the end of April.
- **May and June combined benefits: \$182.40 per eligible student** will be loaded on the family's Bridge Card on a later date. Issuance schedule for these benefits still to be announced.

**Families not currently receiving Food Assistance Program (FAP) benefits will receive an EBT card in the mail:**

Eligible families not currently receiving food assistance benefits will receive in the mail a pre-loaded Electronic Benefits Transaction (EBT) card issued under the name of the oldest student in the household. Benefits for all eligible school-aged children in the home will be loaded onto this one EBT card. Prior to receiving the card, families will get a letter from MDHHS describing how to use their EBT card, how to set up their PIN, and other information about food assistance benefits. This EBT card can be used to purchase food items only, in-person, at any SNAP retailer. The P-EBT card may look different from the Bridge Card, but the card and benefits can be used the same way as the Bridge Card.

- **March and April combined benefits:** Families will receive an EBT card in the mail **by the end of the first week in May**. The card will come pre-loaded with **\$193.80 per eligible student**.
- **May and June combined benefits: \$182.40 per eligible student** will be loaded on the family's EBT card on a later date. Issuance schedule for these benefits still to be announced.
