Dear Catholic School Community,

Please [click here to view our Spring 2020 Home-Based Learning Newsletter](#), which offers a snap shot of what home-based learning looks like across the nine regions of our Catholic school system in the Archdiocese of New York.

Students are engaged in online learning and morning prayers; teachers are taking advantage of the latest technologies to create dynamic and interactive lesson plans; and our communities are continuing their missions of service to others.

We hope you enjoy it, and that you, your family and friends are all staying well.
