

Speaking of riddles...hint, hint

**Hello Grade 5 Students,**

**It has been great to be able to connect with some of you by email, phone or face to face on Zoom this week. I'm looking forward to having our regular zoom meeting time each week, and seeing more of you.**

**I want to encourage you to contact me if you are needing help finding or completing any of the activities that we've posted for you on the In Home Learning Webpage.**

**A few weeks ago, I left a video message for you in our "Welchman Class" Shared google folder, and it included a few riddles. If you knew the answer to the riddles, I asked you to send me an email and I would recognize the first person to answer it correctly. Ryan S! Ryan answered the riddle correctly and gets a power clap "one, two, three" <clap>!**

**This week, instead of riddle, I have some mystery photos for you. I have taken 3 close up photos of household objects on the page below. If you think you know what any of these objects are, email me the correct answer and I'll give you an honorable mention in next weeks' message.**

**I wish you all the best, and I'll see you soon.**

**Mr. Welchman**
