

never stop learning

As a community partner, we wanted to reach out in light of current health and safety concerns surrounding COVID-19.

**Tutor.com through the public library is available to help students continue their learning from home.** Tutor.com supports students through online, one-to-one on-demand tutoring, drop-off writing review, practice quizzes and skill drills, video lesson libraries, and The Princeton Review® SAT®/ACT® Essentials test prep.

Many students in the Troy School District are participating in the Virtual Library card program, by using their school ID number to log into TPL databases, use eBooks, and other school-based resources.

If your students have not had the opportunity to sign up for a Virtual Library card, they can also log in using their library card number. TPL's website address is [www.troypl.org](http://www.troypl.org).

Please feel free to share this with teachers, staff and students as you see fit.

Finally, and most important of all, please take care of yourself, your family and your students.

Warm regards,

Cathleen Russ, Library Director
