

Dear 2020 Seniors and Parents,

We are all saddened knowing that we cannot properly celebrate our graduates of 2020 in June with the usual rites that should be celebrated during this time. While we would much prefer to celebrate in June, we understand the reasons for moving the events and are ready to move on to Plan B.

After constructive and positive meetings involving members of the Student Grad Committee, HS Administrators, and Teachers, we are pleased to announce the new plan to honor the Graduates of 2020. We understand that this is contingent on the Covid-19 situation in August, but for now, we hope to move forward with the following events:
