

A NOTE FROM THE MIDDLE SCHOOL OFFICE

Dear Middle School Parents,

Your child's Second Semester Progress Report that encompasses his/her work during the past 9 weeks of online learning is now available in Veracross. To access the report, log into your Veracross account [Login Link](#), click on "Classes and Reports" near the middle of the screen and then click on "MS Mid Semester 2". If you have forgotten your login information, you can reset your password by clicking the link [Reset Password Link](#)

Please note that this progress report is significantly simpler than the one we normally issue at this time of year. Individual reporting strands do not appear on the progress report, and we have created two new ATL's that are more aligned to the online learning environment. The progress report is a general reflection of your child's effort and work quality during the online learning period. You are still able to see your child's grades on assignments by logging into Veracross as you have in the past. We will, however, be assigning regular grades at the end of the semester.

Please feel free to contact any of your child's teachers, either by email if you require clarification of any of the information contained in the report.

Sincerely,

Rick Bunnell
Middle School Principal
