

YEAR 1 WEEKLY HOME LEARNING – W/C
27.04.20

Have a go at as many of the tasks as you can.
You can choose which ones you do each day.
A book I recommend... Not your typical dragon
(You can find the story on YouTube.)

Focus spelling words for this week:

- went
- blew
- doing
- going
- help
- friend

5 minute move!

Draw a story board of showing the story of Crispin and all the different things that he breathed instead of fire. Think comic book style!	Draw your own dragon and think what else it could breathe. Use some fantastic adjectives to describe your dragon.	Write a letter to Crispin suggesting to him what he could do to be able to breathe fire like he wants to.
Role play! Make a shop and practise paying for things and getting change. Look at amounts to 50p, £1 and £2.	Do some measuring around the house. Measure things or people. Use cm and m. Put them in order from shortest to longest/tallest.	With an adult, have try and find out 5 different facts about plants. Think about what they need to grow and find out the names for different parts of the plants.
Create a Spring scene. You could use crayons, paint, felt tips, collage or objects you can find. Maybe take a photo of it.	Find all the pairs of numbers that add up to 20. Use objects to help. Have a go at writing out the number sentences. Do you notice any patterns?	Carry out a scientific investigation. Find some different objects and see which ones float and which sink. Don't forget to predict first. Record your results in a table.
Spend 20 minutes practising your focus spelling words. Make sure you can use them in a sentence.	Log onto Mathletics and Times Tables Rockstars and complete some of the games.	Log onto phonics play: Username: march20 Password: home Choose Phase 5 and the game 'Dragon's Den'.
