Topic: Co-Teaching at Home Parent Meeting

Time: Apr 27, 2020 07:00 PM Pacific Time (US and Canada)

Every week on Monday 7:00 PM

Join Zoom Meeting

<https://zoom.us/j/390767428>

Meeting ID: 390 767 428

If you have any concerns or questions on assignments email gallegosl@mhusd.org or musgraved@mhusd.org

Each assignment can be broken down into daily segments

MATH 20 minutes workbook pages and 10 minutes of practicing math facts

Large Number Addition and Subtraction Review

Monday	Tuesday	Wednesday	Thursday	Friday
Family Letter for parents pages 265 & 266 Students Complete pages 267 -270 **see hint below	Pages 271 - 274	Pages 287 - 288	Finish any incomplete work. Then, choose one problem from your completed work and explain how you solved it in a video on flipgrid	Play Multiplication War or another multiplication game with a family member. Use a deck of cards: A jack represents 11, a queen is 12, and an ace is 1. Have fun!

Hint: Rememanything to the right of the decimal is less than a whole - or your change. The numbers to the left of your decimal are the whole numbers or your dollars. The first one is your ones, the next is your tens, etc.

READING

New Assignment: Please print a copy of the Explorer expert groups posted in google classroom.

Monday	Tuesday	Wednesday	Thursday and	Friday
Expert Group Reading of Hernan Cortes : Highlight important information, circle tricky words & give a synonym, and sketch	Expert Group Sebastian Vizcaino : Highlight important information, circle tricky words & give a synonym, and sketch	Expert Group Sir Francis Drake : Highlight important information, circle tricky words & give a synonym, and sketch	Expert Group Sebastian Rodriquez Cermeno Highlight important information, circle tricky words & give a synonym, and sketch	Complete Quiz on Early California Explorers. AND FREE READING FRIDAY! Find a great spot at your house, grab your book and enjoy.

Extension: You may also complete another 30 minutes of Lexia as an additional choice.

Writing

Video for making a mind map: <https://youtu.be/34nouTm-52U>

Monday	Tuesday	Wednesday	Thursday and	Friday
Take your information from your expert group on Hernan Cortes and create your mind map to use for your writing on a future week.	Expert Group Sebastian Vizcaino : create your mind map to use for your writing on a future week.	Expert Group Sir Francis Drake : create your mind map to use for your writing on a future week.	Expert Group Sebastian Rodriquez Cermeno create your mind map to use for your writing on a future week.	FREE READING FRIDAY! Find a great spot at your house, grab your book and enjoy.

Headings for Creating your Mind Maps:

- **Center Circle = name of your explorer**

The rest of your spokes on the mind map are:

- **Early Life**
 - **Exploration**
 - **Accomplishments**
 - **Influential People**
 - **Obstacles**
- Work on noredink assignments at link below
 - On **Friday**, write in your journal. Record your thoughts and feelings. What is happening now has never before happened. You are a part of history. It is important for us to create a record so that future generations can learn from us. As well as for us to go back and remember in the future.

HISTORY

Monday	Tuesday	Wednesday	Thursday	Friday
Join us for history discussion during our Monday zoom.	Read and complete pages 76 and 77 about Juan Cabrillo. Be prepared to discuss at Wednesday zoom	Join us for a history discussion during our Wednesday zoom	Join us for a history lesson and discussion of the Native American's lives before the Missionary period and their lives after the Missionary period	Read and complete pages 100 and 101 about Junipero Sera

Google Classroom Assignments to Complete

- vocabulary worksheet
- Comprehension Questions - please write with complete sentences and detail, using the chapter vocabulary
- Complete and turn in Quiz for this chapter on Friday

Supplemental activity ideas: 4th graders can access typing club through google classroom

New Assignments on Noredink

Maxwell link: <https://www.noredink.com> press join and type in code new bike 57

Gallegos link: <https://www.noredink.com> Press join and type in jumpy fog 62

PE

Let's find ways to keep our students moving. One option for in-home movement is gonoodle which is a free site helping to get kids moving. You can access how to connect here:

<https://e.gonoodle.com/e/c/eyJlbWFpYF9pZC16IjJOcUpBZ01BQVhEb3JETlQ3RnRFeFpaVWdiS3hqUT09IiwiaHJIZil6Imh0dHA6Ly93d3cuZ29ub29kbGUuY29tL2d2b2RlbnVpZ3kiLCJsaW5rX2kljoxOTA0OTM3MDQsInBvc2l0aW9uIjozfQ/557321a27fa3202da5cf22f022bb295d3257b2680b39fa890dea381b1b5bcd48>

Try to spend at least 60 minutes outside:

Go for a bike ride

Hike with your family

Walk the dog

Play a game of basketball or frisbee

Any favorite physical activity; Be creative!

Thank you for doing your best on this, and enjoy!
