What are the MA+ activities?

MA+ offers an energizing snack to keep students fueled for their busy afternoon. Students engage in a variety of active play, quiet games, arts and crafts activities and homework or story time. An important feature of the program is the structure and support for homework. Children are given encouragement for study and organizational skills and time to do most or all of the homework assignments. This is a marvelous benefit to busy families! In this multi-age group, the MA+ students learn important collaborative skills, build friendships, and have a lot of fun!

How much does MA+ cost?

There is a \$25 non-refundable registration fee. The fees for MA+ are \$1,980 per year (\$230 per month) for four days per week or more, and \$1,395 per year (\$160 per month) for three days per week or less. Payments are made on a monthly basis directly to the school from September 1 through May 1. Monthly fee cannot be prorated. Late pick ups are subject to late fees. **Parents are encouraged to pay using EFT.**
