

COVINGTON CATHOLIC FOOTBALL

April 27, 2020

Dear Rookie Colonel,

First off, I hope this letter finds you and your family safe and healthy during this unprecedented time. I am sure you have experienced a full array of emotions due to this current pandemic as you near the end of your 8th grade school year. Please know that our school, our football players and coaching staff have been thinking of and praying for you and the rest of our Colonel community.

The reason for this letter is to welcome you to the Covington Catholic brotherhood! You and your family have chosen a high school that I know will guide you over the next four years in becoming the best all-around young man you can be. Not only will you have the opportunity to receive a first-class education, but you will also evolve your sense of **Faith, Friendship, and Family**. This stepping-stone holds many variables into what your future holds and what kind of young man you will become, and I believe you could not have chosen a better place for such an important period in your life.

With that being said, the Covington Catholic Football Program exists to enhance your high school experience and to teach life characteristics that will stay with you forever. **Discipline, Hard-Work, Honesty, Loyalty, Confidence, Strength, Perseverance and Teamwork** are all things present within the game of football and the Colonels Football Program. Oh yeah...we are going to have some **Fun** along the way as well. So, as you enter this next chapter of your life, I welcome you to join the CovCath Football Program to not only continue its storied tradition of excellence (**8 State Championships**), but to also help instill in yourself the qualities mentioned above that CovCath Football exemplifies daily.

In previous years our CovCath Football Program has held a “Sign-up Night” at the high school for all incoming freshmen interested in playing, managing or being a part of the football program. Due to our current situation, we are not permitted to have our traditional sign-up meeting, but you can sign-up on-line using the following link:

<https://www.covcath.org/admissions/class-of-2024-incoming-freshmen-info>.

This will allow us to prepare accordingly for when we all return to our normal school and football activities. With that being said, I look forward to meeting all of you in-person here soon, and I cannot wait for you to start your experience as a part of the **BROTHERHOOD** and the **TRADITION!!!**

Go Colonels!
