REGISTER FOR & COMPLETE ORIENTATION

- ❑ Register to attend the required New Student Orientation and Advising, which includes 2 parts: online modules followed by an in-person session for advising and registration assistance.

<https://www.highline.edu/get-started/student-orientations/>

- You need to have your course placements before you attend orientation.

Contact the Advising Center at advising@highline.edu or (206) 592-3584 with any questions or concerns.

REGISTER FOR CLASSES

- ❑ New students register for classes during open enrollment (you will not have a registration appointment). You should complete orientation before registering because you can receive advising and registration assistance.

- ❑ HC has free computer labs on campus. Consider your options and study habits before purchasing new equipment like a laptop.
 - You will have a printing account, tied to your myHighline ID in order to print on campus from your school or personal computer. Every student is given \$10 per quarter for printing on campus printers and \$10 more once the school tech (CF) fee is paid (paid when you pay your tuition).

PAY TUITION

- ❑ Pay Fall Quarter tuition before the payment deadline, which is usually about one month before the first day of the quarter: <https://registration.highline.edu/registration/dates-and-deadlines/#tuition-due>. Your financial aid will be applied before your bill is issued, **which means if you have a "remaining balance" on the bill, you still owe money.**
 - If you haven't received a bill by the mid-July, contact the Cashier's Office (206-592-3126). You should receive a bill to your student account online before payment is due.
 - Pay tuition online with a credit card or in-person with cash, check, or credit card: <https://adminservices.highline.edu/finance/cashiering/>
 - If you cannot pay your full tuition balance by the due date, set up a STEP Payment Plan to pay three smaller payments over the quarter. <https://adminservices.highline.edu/finance/cashiering/#stepp>
