CONFIRM YOUR ENROLLMENT

- If you have not already, confirm your decision to attend UW Bothell and pay the \$100 admission confirmation deposit by May 1. If you are accepted to UW after May 1, you usually have around two weeks to confirm and pay the deposit. You can confirm your enrollment following the instructions in the admissions packet you received in the mail or online through your MyUW account. Once you enroll, the \$100 deposit will be credited toward your first quarter's tuition. <https://www.uwb.edu/admissions/apply/admitted>
 - ▶ If you are financially unable to pay the deposit, you may request a deferral by emailing uwbapply@uw.edu. Each request is individually evaluated based upon financial need. If your Enrollment Deposit Deferral request is denied, your admission to the University will not be confirmed until the \$100 deposit is paid.
 - ▶ As part of your enrollment, a \$300 NSEOF (New Student Enrollment and Orientation Fee) will also be added to your tuition statement. The required NSEOF fee helps to pay for orientation and other first-year programs. <https://www.uwb.edu/orientation/orientation-programs/summer-autumn/fy-advising-orientation>
