

Food for Kids

Eden Prairie Schools will be providing free meals for children while schools are closed due to COVID-19.

WHO: All children 18 and under* who live in Eden Prairie can receive free meals! This includes:

- K-12 students, regardless of where they attend school
- Younger children who are not yet in school
- Eden Prairie Schools TASSEL students (even those who are over 18)
- Any other child age 18 and under who lives in Eden Prairie

WHAT: Meals for Kids

Meals include breakfast and lunch packs and are mostly ready to eat (no prep required). Items are similar to what students get at school. These include items like milk, cheese sticks, fruit, and sandwiches that will need to be refrigerated. Some items may contain dairy, peanut butter, and wheat, so parents should check items for allergies. On Fridays, families will have the option to receive additional non-perishable food through Sheridan Story, as supplies allow.

* You do not need to be participating in the Free and Reduced Lunch Program to receive meals.
