

Georgie's Morning Routine

- Move lunch sticker to "home lunch" or "school lunch"
- Complete morning work assignment written on the whiteboard
- Put completed work into Mrs. Smith's "finished" basket

When you are finished with your morning work, choose an activity below to work on until it's time for the next activity.

- Read a book
- Draw/write in my notebook
- Work on an activity from the "finished" shelf

Begin the next class activity when Mrs. Smith says it's time.
