## ART SCHOLARSHIP

To recognize a student's artistic skills, our academy has established an Art Scholarship for incoming students desiring to participate in one of the 2020-2021 Florida Prep Art Programs at our school. Students in grades 5 through 11 will be able to benefit from this scholarship. The Visual Arts Program at Florida Prep stands firm in the belief that "Art" is for all students and everyone has the ability to create and grow in the visual arts – no matter where they start in the process! Eligible students may apply for the scholarship by completing the Application Form and Requirements as outlined below and sending it to the Admissions Department. There will be one scholarship given per year for each Category of Middle School Students, grades 5-8, and one scholarship for each Category of High School Students, grades 9-11 (see age categories under eligibility requirements). In order to be considered for the Art Scholarship, an applicant must have a 3.0 grade point average or higher from their last school and have gone through the admission process for Florida Prep. Note: All work submitted for consideration for the Art Scholarship becomes the property of Florida Prep.
