

JIS is the first international school in the world to be accredited 'Outstanding' in a recent inspection. With 1,660 students (200 Boarding students) from 55 countries, and almost 200 teachers from the UK, JIS Camps offer a unique opportunity for your child!

Our Goals

- To build each child's self-esteem
- To promote regular physical activity, values, and sportsmanship
- To provide children with the life skills to become leaders
- To create a stimulating environment where the children improve their skills over the course of the camp and to develop

Our teachers are passionate about children leading a healthy lifestyle through sport and activities. Our winter camp staff come from a variety of different backgrounds and include fully trained teachers, childcare professionals and highly qualified sports and activity staff. In order to ensure that our camp is as safe and effective as possible we exceed the high standards set and expected by Ofsted in the UK.

Student safety and welfare is a top priority for us. We want to ensure that each student is happy, healthy and safe.

There is a 24hr emergency number for students and parents.

Each student will get an ID card with emergency contact numbers on them. Parents and students will all receive a handbook covering all aspects of their stay. Qualified First Aiders will be onsite at all times.

All students receive a school and location orientation on arrival.
