

SENIORS

Note: There are several unanswered questions for seniors. We will update this frequently as we learn more information. We appreciate your patience. (Last updated: 4.29.20)

MAY 1ST NATIONAL COLLEGE DECISION DAY: May 1st is the national deadline for high school students to confirm their admission to a four year college and choose which college to attend.

Make sure you log into the school's portal and accept your school by May 1st. (Some colleges may require a deposit at the time of acceptance.)

Once you have made your final decision on the four year college or junior college you will attend you need to make sure the college you have chosen is listed in the number one position on your FAFSA. If your choice is not in the number one position on your FAFSA you will need to log into your FAFSA and "make a correction", moving your school of choice to the number one position and then resubmitting your FAFSA. If you have any questions or need assistance, please reach out to your school counselor.

GRADUATION: TUSD recognizes that Graduation is an important event for students and families. Due to COVID 19, Tracy Unified will reschedule all graduations for the first week of August. More information to come from site/school administrators.

SENIOR ACTIVITIES: All GRAD Nights are cancelled due to COVID 19. TUSD will fully reimburse all signed up participants.

SENIOR BREAKFAST: Unfortunately, Senior Breakfast is cancelled due to COVID 19 Shelter in Place and restricted "large gatherings."

SCHOLARSHIP NIGHT: Scholarship Night is scheduled until further notice. Virtual presentations announcing scholarship recipients will be available on all High School Webpages and Social Media Pages on May 11th.

PROM: All Proms were canceled and reimbursements are being processed for full reimbursement.

COLLEGE TRANSCRIPT REQUESTS: Please contact your counselor via email or phone for all transcript requests.

ADULT SCHOOL CLASSES: Many of our high school Juniors and Seniors makeup classes that they have failed in high school at the Tracy Adult School (TAS). Our staff is currently working to identify which makeup classes our students have finished, which makeup classes they need to finish and which makeup

classes they still need to take in their entirety. Packets, along with instructions will be mailed out on Thursday, April 9th. Packets will then be due back by Friday, May 15th. Packets must be completed in their entirety for students to pass TAS makeup classes.
