Other Reminders

- **AP Exam Demo (available May 4):** AP students should use the clickable exam demo to practice the different ways to submit their exam responses. The demo will help students confirm that their testing device will be able to access and run the online exam. If they can't access the demo, the final slide of the Testing Guide can help them troubleshoot. The sample content in the demo will be the same for all users and isn't a practice exam. We'll send educators and students an email to remind them when the demo is available. **You are encouraged to please take this important preparation step.**
- **Online [AP Classes and Review Sessions](#) prep week:** The week before exams, online AP classes will focus on the exam day experience and sample exam questions.
- If you are having difficulty receiving College Board emails, walk through the steps on the "[Confirm your email address](#)" page.

IMPORTANT INFORMATION for AP Chinese, French, German, Italian, Japanese, and Spanish Language and Culture Exams:

- The above exams will be administered using a new dedicated app, the AP World Languages Exam App. Students taking these exams must use this app on smartphones or tablets. This free app will be available for download from the Apple App Store and Google Play Store the week of May 11. We'll email students and their teachers to let them know when the app is available to download. Visit [our site](#) for more details.

- A video walk-through of the test-taking experience will be available the week of May 4.
- Details on accommodations for the above exams are also [now available](#).
- If students are unsure about accessing the app, or if they don't have a device, they can fill out this [survey](#) (or you can complete it on their behalf) as soon as possible so we can help support them (applicable to U.S. and U.S. territories).
