

THE COUNSELING CORNER @ KJH

.....
We miss being at school with our KJH students! We hope each of you are doing well, staying healthy and adjusting to online learning. If we can help you in anyway, please let us know. A KJH counselor is available Monday – Friday from 8:00am – 1:30pm. You can reach the Counseling Office by calling 801-402-7200 and asking to be transferred to the Counseling Office. Please stay healthy and well. We hope to see you all very soon!

.....
Summer P.E. – Our Summer P.E. class has been cancelled. The office is currently working on issuing refunds for those who have paid for the class.

.....
KJH Dance Company – Mrs. Done will be holding virtual auditions for Dance Company. Dance Company is open to anyone entering 7th, 8th, or 9th grade. Please register for your audition by emailing Mrs. Done at KJHdanceco@gmail.com. Please include dancer's name and the grade they will be in for the 2020-21 school year. Submissions are due May 1, 2020.

.....
Davis Connect Online Summer Courses – Davis Connect is currently offering a variety of online summer courses for students in grades 7-12. Please see the attached flyers for more information on these courses.

.....
Citizenship – If your student has a U that they need to work off, our custodians could use some help! This work would be mainly outdoors helping with the school grounds. Please call the main office at 801-402-7200 to schedule a time!

.....
ACT Practice Test (9th Grade Students Only) – Your student has access to the **Practice ACT Video Explanations** Canvas course, which has explanations for all questions from the Practice Test. Students must enroll themselves to gain access. They can enroll automatically in the course using the link below:

<https://dsd.instructure.com/enroll/6GXRYP> OR
<https://dsd.instructure.com/register> and use the following code to join: **6GXRYP**

Please let us know if you have any questions about enrolling in the course or if you have not received your student's ACT score in the mail.

.....
DSD Intervention Finder – For the month of May we will focus on Impulsivity. There is often a lot of overlap between students who show impulsivity vs hyperactivity. Students may appear very fidgety and may have trouble waiting for their turn or even transitions. They may often struggle with talk outs and/or staying in their seats. It's important that students with these struggles are taught the expected behaviors multiple times and that antecedents are identified to help prevent any potential future and preventable failures that they may have.
