**Assignment Guidelines:** After learning about Little Leaf Farms, explore internet resources and find an alternative farming technique you find interesting and compile the information below:

1. Name of technique:
2. What is being cultivated?
3. Where is it located?
4. What makes this approach different?
5. Link to a video showing the farming technique
6. What are the benefits?
7. What are the challenges?

After answering the following questions, create a brief PowerPoint presentation that highlights what you learned about an alternative framing technique.

When you have completed the PowerPoint, save the presentation to your Office365 OneDrive and feel free to share it with your teacher.
