

VOCATIONAL AND CAREER EDUCATION

APRIL 27TH – MAY 1ST 2020

These are general Financial Literacy activities. Please make sure you are checking your BPS e-mail and Microsoft TEAMS for updates from your teachers. They will be sending you other activities that are specifically designed for your class.

EVERFI: Financial Literacy for High School is a digital education program that teaches students how to make wise financial decisions to promote financial well-being over their lifetime. The interactive lessons in this financial literacy course translate complex financial concepts and help students develop actionable strategies for managing their finances.

Immersive digital environments and diverse characters bring modern, relevant financial education objectives to life. Students accelerate their financial understanding through problem-solving, self-reflection and games that provide real-life scenarios for practice.
