

# Spray Bottle Label Order Form

Custodial Services Administration is replacing every secondary spray bottle label at your facility. These new labels are waterproof, chemical resistant, abrasion resistant, UV resistant, and tear resistant. These labels also meet the new standards required by law. They will *not* need to be taped over or replaced frequently. Custodial Services Administration will be covering the cost and will deliver them to you. Since we are replacing all the spray bottle labels at each location, please be patient as we get them to you.

Order the number of labels you absolutely need for your facility. Do NOT stock pile! There are 4 labels to a page. Print this form, fill it out, then please send it in via email to [dsdcustodial@dsdmail.net](mailto:dsdcustodial@dsdmail.net), or fax the form to 801-402-7881, or send it in through the pony. We will NOT be accepting orders over the phone.
