

## RHS Art Department - Virtual Open Day Art challenge Postcard pets

Hi everyone!!

Here in the RHS art department we are always finding ways to stay creative, even when we have to remain socially distanced!!

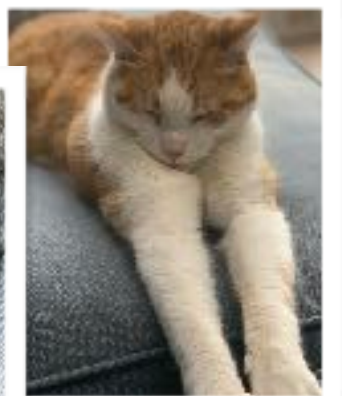

Why don't you have a look at our twitter page [https://twitter.com/RHS\\_Art](https://twitter.com/RHS_Art) to see what we have been up to!!

Whilst we are at home we find inspiration everywhere, and for this creative challenge I have used my four-legged friends Percy and Monty as inspiration.

I hope you enjoy the video tutorial and have lots of fun creating your postcard pets...On the back of this sheet you will find lots of resources to help you...

It would be great if you could share your creations with us via twitter or email them to me in the art department at... [hbarber@royalhospitalschool.org](mailto:hbarber@royalhospitalschool.org)

I look forward to seeing you in person soon!!
