A NOTE FROM THE TEACHER

Hello!

Hope this finds you and your family as well as can be expected. We wanted to say thank you for your quick responses to the Continuous Learning Plans we sent out last week!

Activities continue to be posted in the Google classroom. Please email us if you need help or instructions on how to access the Google Classroom.

We had a great time in our first ever Zoom classroom meeting! Please reply to this email, giving permission, if you would like your child to attend. It was really fun!!!
