A message from the 1st grade teachers:

It's May! We are in the final stretch first grade families! We can do this! Thank you so much for working with your student. We truly appreciate all you do to help them be successful. We are missing each and every one of our students' every day! Don't forget that we are here to answer any questions you may have so please don't hesitate to ask.

Please remember, **these lessons are not optional.** We will be taking weekly grades per subject.

Please make sure you are checking your teacher's Class Dojo for updates every day, to make sure you do not miss anything important.

If your child receives Special Education, Section 504, or Dyslexia services, services will be addressed weekly by your child's Special Education or Dyslexia teacher via email. Please make sure to check your e-mail that you provided to the school so you get these important e-mails.
