A vehicle picking up **lower school** students must have a **carpool number decal** displayed prominently on the passenger side of the windshield. Families who are new to MBCA will receive their carpool number and carpool number decal at the start of the school year. Returning families will retain their carpool number throughout their MBCA years. **Middle school students will not be issued carpool numbers.**

For everyone's safety it is imperative drivers follow the traffic pattern outlined by cones in the parking lot and follow the directions of all carpool volunteers and staff. **Please do not use your cell phone while driving on campus.** Safety is our top priority.
