TEACHER OF MATHEMATICS

TMS/UPS

Full Time and Permanent – September 2020

We are seeking an outstanding teacher of mathematics to join our highly successful mathematics department. The post offers the opportunity to teach across the key stages and candidates will ideally have experience of teaching key stage 5.

It is an exciting time to join our mathematics team, with opportunities to teach across the age and prior attainment ranges. The department has an expectation that colleagues are open to adapting their practice in light of current research, innovative approaches to teaching and learning and changes in technology. This culture of openness and collaboration helps us to engage our students and ensure successful outcomes for them, irrespective of their background.

The Academy’s strong staff development focus makes this an ideal post for teachers wishing to develop their career. Candidates should be able to respond to the busy and caring atmosphere of this outstanding Academy, be able to promote excellent results, be committed to extra-curricular activities and be fully involved in school life.

In return we will offer:

- Excellent career development opportunities and access to a comprehensive programme of CPD
- An extensive support programme for NQTs
- An ICT-rich environment which allows staff to be innovative in harnessing technology for learning

An application form and job description are available from our website
www.collegiateacademy.org.uk

Closing date: 8.00am Friday 15 May 2020

The Shireland Collegiate Academy Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment.
