School Office Hours

Tuesdays	1:00pm - 4:00pm
Thursdays	1:00pm - 4:00pm

The office will be staffed only during those days and times. Drop offs and pick-ups will go faster if they are pre-scheduled. Call 651-653-2700, leave a message and someone will get back to you shortly. You will not be admitted into the building, so you need to give the staff enough time to process your request. If you need the items from your student's locker, they will be bagged and labeled and placed in the vestibule at door A for pick up upon your request. Remember to let us know if your student also has items in their PE locker. Please bring any paper grocery bags that you are able to donate, as we are running out.

Sunrise Park End of the Year

We are currently working on plans for safe end of year procedures, such as media book returns, yearbook pick up, and final locker clean out. We will send out communication closer to the end of the school year.

Chromebook Repairs

To request a Chromebook repair or replacement you will need to submit a [Bear Tech Ticket](#).

- Choose "Submit a Ticket"
- Choose "Sunrise MS"
- Under General Information fill out using your student's name and the email you would like contacted. Please include your student's id number in the message portion.

This will go to our Tech Depot department and they will contact you with the information on exchanging the Chromebook for a working one. Please be patient while waiting for a response as the technology department is very busy processing all of the requests.

Keeping Track of Assignments

Here is a video that shows students how to add classes to their Google Calendars so assignments will be listed on their due dates. Special thanks to Emily Biske, 7th grade science teacher, and Isabella Matt, 7th grade student, for making the video! [link to the video](#)

Parent Check-In Form Coming

During the week of May 4, all 6-12 parents will receive a check-in questionnaire via email. Please use this form to let us know how you are doing and what your needs are. In addition, please feel free to call/email school staff at any time to let us know how we can help!

Quarter 3 Honor Roll

Congratulations to all of our honor roll students. Keep up the good work!

History Day

Congratulations to the 31 scholars who advanced to Virtual State History Day on Saturday, May 2nd. Over 25,000 students in Minnesota completed projects based on the theme, *Breaking Barriers in History*. Almost 1,200 of those participants have advanced to the state competition, and approximately 60 students will be selected as national qualifiers to represent the state at National History Day.
