Prk-5 Grades eLearning Guide- Week 7

Note: Beginning the week of April 14, and in alignment with our Adjusted Grading Guidelines, teachers in grades PK-5 will be monitoring progress of students in a variety of ways. Use whatever art materials you have on hand to create your artwork.

This week we will reflect on those who are close to us and how this Quarantine Event changed our lives.

We are demonstrating SBISD Core Values of Collective Greatness and Moral Compass.

Choose one of the art lessons that inspire you to CREATE.

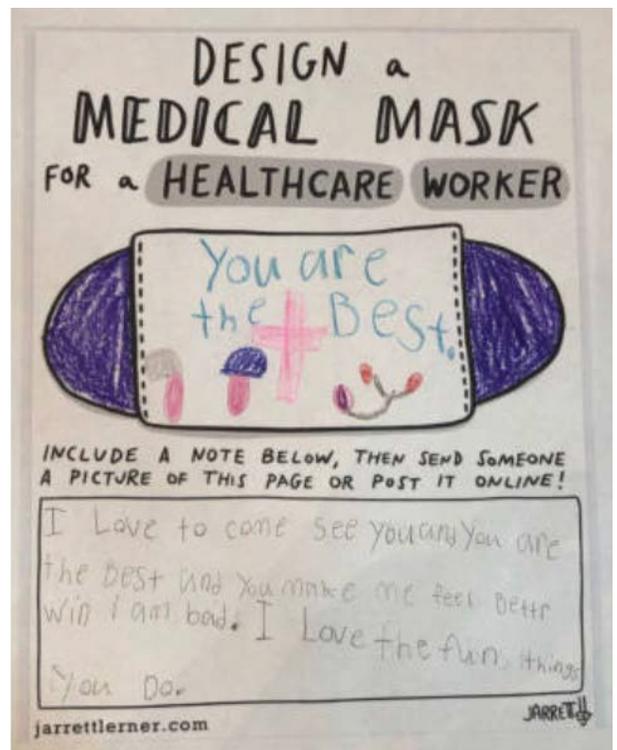

Giving Back and Saying Thanks

1. Design a Medical Mask

Medical Masks have become an important item for all to wear to stop the spread of germs and viruses. Health care workers, many essential employees, and even you may have started to wear special masks that show your personalities and things like your favorite colors, animals, or hobbies. We know that artwork is putting smiles on their faces, even behind the masks! We can see it in their eyes! Have a family member take a photo of your creative mask and post it at @SBISD! Be sure to show your smiling eyes!

You can draw out the attached image on your own paper or go to the link below to print out this page.

2. Are you missing visiting with Family Members or Friends?

John P. Charlton of Philadelphia created the first commercially produced card in 1861. Now a postcard is a picture from a place you visit, and you write a short note to the person you are sending it to. It is a way to share what you see and do on a trip to someone special.

- A postcard is a single piece of paper in a rectangular shape.
- At least 3 ½ to 4 ¼ inches high x 5 to 6 inches long
- Draw a picture on your postcard explaining: “What I can’t wait to do with _____”
- Photograph the image and text or it email to your special person.
- If you followed the size rules, and put a stamp on it, you can ACTUALLY mail it!

Building Memories- “The Fun I have had during my Quarantine”

3. My Favorite Foods

Andy Warhol was an artist who painted pictures of things from everyday life. He painted soup cans because he had a fondness for tomato soup from his childhood. What are some of your favorite canned or boxed food? Create a drawing of your favorite canned/boxed/cereal food item.

***Want to more Warhol Art:** Pick your favorite food. Divide your paper into 4 equal parts. Draw your food in each of the spaces. Color each drawing with different colors.

“Andy Warhol’s Colors” by Susan Goldman Rubin (board book), “Pop Warhol’s Top” by Julie Appel, “Uncle Andy’s” by James Warhol <https://www.youtube.com/watch?v=38GvgFYsAcw>

4. Memory Boxes of Joseph Cornell

Joseph Cornell was an artist who worked with materials he could find and arranged them into boxes. Each box was a recording of a memory or a story he was trying to tell.

<https://www.josephcornellbox.com>

- Make a list of your favorite memories depicting a part of a favorite story you read or something your family has done together. Using the lid of a box add objects, drawn images, images from magazines, scrap papers for backgrounds to “record” your memory.

Suggested Book to Read: “Mr.Cornell’s Dream Box” by Jeanette Winter
