

VOCATIONAL AND CAREER EDUCATION
MAY 4TH - MAY 8TH 2020

This is a general activity. Please make sure you are checking your BPS e-mail and Microsoft TEAMS for updates from your teachers. They will be sending you other activities that are specifically designed for your class.

Brockton High School has been extremely fortunate to be offered FREE Career Essentials Curriculum for all students enrolled in one or more Vocational and Career Education courses at Brockton High School.

All students that have been enrolled have received an e-mail with specific login information. If you are enrolled in a VCE course, but did not receive an e-mail, please contact your VCE teacher or the Coordinator of Vocational and Career Education, Shawn Desmond, at shawntdesmond@bpsma.org. They will be able to supply you with the correct login information and get you started on earning a Career Essentials Certificate from SkillsUSA.
