

<p>On the planet Krux there are two sorts of creatures. The Zids and the Zods. The Zids have 3 legs and the Zods have 7 legs. If a group of Zids and Zods have 52 legs altogether then How many Zids and Zods are there in the group? Is there more than one possible answer?</p>	<p>What was HMS Beagle? Who was on-board? Where did it go? Try and find out as much information as you can about the voyage.</p>	<p>Research types of butterflies commonly found in Sussex – can you spot any in your garden or whilst out on a walk? Draw the butterfly you see and label all of the parts and their functions.</p>
<p>Write and choreograph your own 'Supermover' song and dance to teach an area of maths or English e.g. Relative clauses or area and perimeter. Film it to send in.</p>	<p>When you go for your daily exercise count how many rainbows you can spot in windows. Which route leads you to find the most rainbows? Have you created your own? What is the meaning behind it?</p>	<p>Become an illustrator! The website 'Draw With Rob' from the illustrator Rob Biddulph will show you how to create everything from a sausage dog to bears!</p>
<p>Create a treasure hunt for you family. Write the clues and hide them around your home – can you outsmart them?</p>	<p>So many of you are interested in bugs. Can you use this guide to create your own bug hotel? https://www.rspb.org.uk/get-involved/activities/give-nature-a-home-in-your-garden/garden-activities/build-a-bug-hotel/</p>	<p>Carry out an interview. Plan to find out about a sport or hobby that a family member enjoys to do. Plan open ended questions to find out more. How will you present this information?</p>
<p>Create a quiz on a specialised subject that you know a lot about – maybe a topic from one of our learning journeys this year. Test your family! Who will be the winner? Why not tweet your quiz and see if Mrs Stubbs or Mr Lawrence can answer it?</p>	<p>We were going to take part in a maths contest against other schools this term. Here are examples of some of the rounds – have a go if you can! <u>Maths Challenge</u></p>	<p><u>Evolution</u> Here is some great information about Evolution. Watch the video and have a go at the quiz. What else would you like to find out?</p>

YEAR 6 WEEKLY HOME LEARNING – W/C 04.05.20

Have a go at as many of the tasks as you can. You can choose which ones you do each day.

A book I recommend...Survivors by David Long

Focus spelling words for this week:

- forty
- frequently
- government
- guarantee
- harass
- hindrance
- identity
- immediate(ly)
- individual
- interfere

White Rose have produced some great home learning so you can keep up to speed with your maths learning. Take a look at <https://whiterosemaths.com/homelearning/year-6/>

Remember to compete in the inter year Times Table Rock Stars battle until 4pm on May 8th. Will Walnut or Willow be the champions?

We are thrilled that we are able to keep in touch with many of you on Twitter and Facebook. Please continue to share with us!
