Pupil Acceptable Use Agreement – EYFS / KS1

This is how we stay safe when we use computers:

- I will ask a teacher or suitable adult if I want to use the computers, iPads, Interactive White Board or other computing equipment;

- I will only use activities that a teacher or suitable adult has told or allowed me to use;
-
  I will take care of the computer and other computing equipment;

- I will ask for help from a teacher or suitable adult if I am not sure what to do or if I think I have done something wrong;

- I will tell a teacher or suitable adult if I see something that upsets or worries me on the screen;

- I know that if I break the rules, I might not be allowed to use the academy's computing equipment.

Parents and Carers

Digital technologies have become integral to the lives of children and young people, both within schools and outside school. These technologies are powerful tools, which open up new opportunities for everyone. These technologies can stimulate discussion, promote creativity and stimulate awareness of context to promote effective learning. Young people should have an entitlement to safe internet access at all times.

This Acceptable Use Policy is intended to ensure:

- that young people will be responsible users and stay safe while using the internet and other digital technologies for educational, personal and recreational use.

- that academy systems and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk.

Parents / carers - Please complete the sections on the next page to show that you and your child have read, understood and agree to the rules included in the Acceptable Use Agreement. If you do not sign and return this agreement, access will not be granted to academy systems and devices.
