Summer @Chartwell

Chartwell School's Summer CORE Program has been reimaged for 2020 to support students who think and learn differently as they learn to navigate in a changed world. Chartwell is uniquely qualified to provide these children with the tools, skills, and strategies to be successful learners.

4 Week CORE Program: \$1,800

June 22 to July 17 | 8:30 am to 12:15 pm

Monday through Friday

**Provide your child with skills they need —
now, more than ever:**

- **Literacy Skills** reading, writing, and comprehension, as well as organizational and study skills.
- **Math Skills** focus on understanding and applying key concepts.
- **Digital Literacy Skills** critical for navigating learning in this new environment taught by Chartwell's award-winning Google Educator.
- **STEAM program** providing hands-on and project-based-learning in the world of social-distancing.
