

CAREERS IN MEDICINE - 0800360

Grade 10 – 12, Credit .50

Prerequisite: B or higher in Biology

This course is required for students wanting to apply for the Sarasota Memorial Hospital Oncology Internship.

Careers in Medicine is designed for students who wish to explore the medical and health sciences. The goal of this course is to present major health conditions and pathologies to students, as well as, various different career opportunities in the health field. Each class varies with guest speakers from medical professions depending on the interests of the students currently enrolled in the course.
