

LEADERSHIP EDUCATION AND TRAINING I - 1801300

Grade 9, Credit 1.0

The first year introduces students to American symbols, customs, and traditions, the history of our Armed Forces and the introduction to Community Service Projects. Discussions also cover the purpose of the Army JROTC, an introduction to the Department of Defense, and an opportunity to participate in extracurricular competitions. Finally, students have an opportunity to learn the basic principles of leadership and participate in Physical Training.
