

## **AMERICAN SIGN LANGUAGE II - 0717310**

Grade 9-12, Credit 1.0

**Prerequisite: 75% or better in ASL I**

American Sign Language II reinforces the fundamental skills acquired by the students in American Sign Language I. The course develops increased receptive and expressive skills as well as cultural awareness. Specific content to be covered is a continuation of skills acquired in American Sign Language I while communication remains the primary objective. The cultural survey of the target language is continued.
