

AP HUMAN GEOGRAPHY - 2103400

Grade 9-12, Credit 1.0

Prerequisite: Score of 3 or higher on the most recent ELA/FSA, and/or prior approval by the Department Chair.

The AP Human Geography course introduces students to the systematic study of patterns and processes that have shaped human understanding, use and alteration of Earth's surface. Students learn to employ spatial concepts and landscape analysis to examine human socioeconomic organization and its environmental consequences. They also learn about the methods and tools geographers use in their research and applications.
